Given that the Snow Cave operates on a 3.25 - 4.0 item quality threshold, the end result are crates containing the ocean loot table at a higher than normal quality than anywhere else in the game. As a testament to how cold and deadly this cave is, at 4 frozen human bodies can be found in the cave. There is an absurd amount of Purlovia in the cave (not on Mobile) which will leap and stun ...

The location of her cave was brutal with winters lasting 8 months and temperatures dropping as low as 30 below. Many thought she couldn't do it, but she ended up living there, by herself, for more than twelve years. This book shares many stories about her experiences, and it also shares her understanding of enlightenment and how precious meditation was to her development. She was known to mediate for 12 hours a day, year after year. She also shared that she never got bored. She loved her ...

"Cave in the Snow" is the biography of Tenzin Palmo, a British woman, who became a Tibetan Buddhist nun at an early age. In her attempt to seek enlightenment, she endured 12 years in solitary isolation in a barren cave in the Karakoram mountains. For 12 years, she slept upright in a 2' X 3' "meditation box", endured cold, wild animals, and near starvation.

In 1976 she secluded herself in a remote cave 13,000 feet up in the Himalayas, where she stayed for 12 years between the ages of 33 and 45. In this mountain hideaway she faced unimaginable cold, wild animals, floods, snow and rockfalls, grew her own food and slept in a traditional wooden meditation box, three feet square - she never lay down. In 1988 she emerged from the cave with a determination to build a convent in northern India to revive the Togdenma lineage, a long-forgotten female ...

I did the snow cave solo just the other day. Bring a second cryo podded rex for the 2nd part of the cave the first rex can't fit through. Nice saddle armor and high health will definitely save you the trouble of having to heal all the time. If you're just after the artifact, i'd wait around for it to respawn a few times and put the extras on an otter (since otters can carry artifacts unlike ...

When he and his friends went cave diving through Sterkfontein Caves in South Africa in 1984, he ignored every safety guideline. There was a line through the water that they were supposed to follow, but Peter's curiosity kept driving him to explore passages off the planned path. The third time he did so, his friends couldn't find him. Peter swam through a maze of tunnels and soon realized ...
