CNC Machining; Chiron fz08s with fanuc 21i-m good machine? Likes: 3. Post #3545180 ... But every Chiron I have ever seen at a machine shop was collecting dust, cause of some mechanical problem with the tool changer. I would rather find a used brother machine. Tool changer just as fast, more tools, less complicated, and ultra reliable. I'm after a compact used machine, this is circa \$16000 ...
