

## FROM EXCLUSION TO INCLUSION IN OLD AGE A GLOBAL CHALLENGE AGEING AND THE LIFECOURSE

Nov 30, 2020

### [From Exclusion To Inclusion In Old Age A Global Challenge Ageing And The Lifecourse](#)

Leading international experts challenge traditional understandings of exclusion in relation to ageing in From Exclusion to Inclusion in Old Age. They also present new evidence of the interplay between social institutions, policy processes, personal resources and the contexts within which ageing individuals live to show how this shapes inclusion or exclusion in later life. Dealing with topics such as globalisation, age discrimination and human rights, intergenerational relationships, poverty ...

In this respect, he argues, a focus on minority ethnic ageing within social gerontology can provide a unique approach to thinking about the relationship between age and social structure, and for understanding and documenting the broad range of influences on people (and on their subsequent later-life and older-age experiences) as they move through the lifecourse. Having highlighted the ...

Part of the Ageing in a Global Context series, this book proposes a new research agenda for scholarship that focuses on ethnicity, race and old age. It argues that in a time of increased international migration, population ageing and ethno-cultural diversity, scholarly imagination must be expanded as current research frameworks are becoming obsolete. By bringing attention to the way that ...
