So, you're interested in buying an Off-the-Track Thoroughbred (OTTB)? There are many pros and cons to purchasing a horse off-the-track, but in the end, the experience is priceless. Thoroughbreds teach riders many valuable lessons that can be used throughout their riding careers. The most valuable lesson I learned with OTTBs is PATIENCE! OTTBs tend to be very sensitive and delicate, which is ...

What is an OTTB to me? Aside from a big sloppy smooch (as you can see), he is my mirror. He tells me very definitely what I need to work on. My seat. My energy level or attention span. He doesn't always tell me how—he's like Yoda that way—but he always points out where work is needed. He is my teacher and mentor as much as I am his.

Glycogen is partly made of water, so when glycogen is burned for energy, it releases water, resulting in weight loss that's mostly water. This effect is temporary, however. As you lose weight, you lose some muscle along with fat. Muscle helps keep the rate at which you burn calories (metabolism) up. So as you lose weight, your metabolism declines, causing you to burn fewer calories than you ...
