New Hampshire and Maine were originally proprietorships granted not by the king but the Council of New England. Both colonies strove to maintain their independence but were only partly successful. Massachusetts effectively controlled New Hampshire until 1679, when it became a separate colony under a royal charter; Maine remained part of Massachusetts until 1820.

Chapter 3: Colonies Take Root 3.1 The First English Settlements – Section Question How did the English set up their first colonies? England Seeks Colonies In the late 1500s, England began to establish colonies in North America to provide markets for English products and to get important raw materials for English products. The first two colonies to Roanoke Island failed.

[Thirteen Colonies: the New England Colonies - YouTube](#)

Much like New Hampshire this New England colony was created as an offshoot of Massachusetts. As successes in farming and family life led to growth in the Massachusetts colony, colonists moved north to the New Hampshire area, but also went south towards the Connecticut River. Finding excellent water supplies and fertile land for agriculture, Mass settlers founded the colony in 1636.
