Rebecca does more than talk the talk--she walks the walk. And in this daily devotional, she offers young women the encouragement they need to join her in living a life of all-out purity. It's not just about sex. It's about mind, body, and spirit. This 90-day devotional proves that purity is anything but old-fashioned and boring. It's edgy and relevant. Rebecca lives it--and readers can live it too. It starts with Day 1 . . . and ends with everyday radical living. Straight edges.
