Amazon?????Second Book of Modern Lace Knitting (Dover Knitting, Crochet, Tatting, Lace)?????????Amazon????????????Kinzel, Marianne????????????????????

[Second Book of Modern Lace Knitting - Marianne Kinzel ...](#)

This book is one of the classics of lace knitting, referred to in many more modern books. I bought it to have it in my collection. The instructions are good especially as there are both chart and 'old fashioned' written instructions, so that you can check the chart with the traditional k1, p1 type pattern - useful if you are new to chart reading. But I would consider it a beginners book, as an ...

[Second Book of Modern Lace Knitting by Marianne Kinzel ...](#)

Marianne Kinzel has made a fantastic addition to her first book with "Second Book of Modern Lace Knitting". Like the first it is full of great patterns and stitches for lace knitters of an intermediate to advanced level. The patterns are flexible and while she has included great detail this is not the type of book for knitters that need everything written out line by line along with their ...

Marianne Kinzel was a mid-20th century designer of knitted lace patterns. She was born and raised in Bohemia, attending the Art and Needlework College in Prague, but later emigrated with her husband Walter to England.. When she started designing patterns, she had some difficulty finding a publisher, so she and her husband formed their own publishing company, Artistic Needleworks Publications ...

I love Kinzel's lace knitting; the charts are easy to follow, and the results are gorgeous. Haven't made many of the patterns in this book (the second book has patterns I've made more than once), but the ones I've made have turned out splendid. If you like lace knitting, Kinzel's books are worth a look.
