Under the control of a formidable stage mother, she became a celebrated ballerina – the favourite dancer of Princess Victoria – renowned for her beauty, grace, and provocative style on stage. Sold for sexual assignations from puberty, she gave birth to two children and became the mistress of a succession of men. When she became the mistress of Stephens Lyne Stephens, son and heir of the richest commoner in England, her mother was rewarded with over a million pounds in today ...

2.5 This sounded completely up my street - "a tale of sex, scandal and money in Victorian England". Jenifer Roberts certainly found a great character to explore and a fascinating story to tell. But unfortunately, despite all the promise the subject showed, it was actually dry and dull. Quite an achievement!

Victorian Britain was a society of extremes, great wealth sat uncomfortably alongside absolute poverty and it has been estimated that at some time or other one woman in six had turned to prostitution to fend either for herself or her family. In 1887, the medical journal The Lancet stated that there were 80,000 working prostitutes in London alone or 3% of the city's population.

LONDON. 1905. PREFACE My readers of Forbidden Fruit may wish to know the origin of the work. It was this way, whilst I was staying at an out of the way village on the Sussex coast, I used to take long solitary walks, and several times saw a very beautiful girl sitting on a secluded part of the downs, attentively reading what looked like a manuscript in a black cover.

I'd stumbled on Walter's My Secret Life through Peter Cryer's Private Case, Public Scandal (an exploration of the British Library's secret catalogue). I picked up one dog-eared paperback volume long ago in a Hay-on-Wye bookshop, but I'd never read the whole 1000-page epic. This erotic memoir of a Victorian gentleman, the pseudonymous Walter, is the longest book of its kind. My ...

Victorian Sexuality: It is against this cultural and political horizon that an understanding of modern sexuality needs to be contextualised. The Victorian era of the nineteenth century, like no other period preceding it, became dominated by the belief that an individual's sex and sexuality form the most basic core of their identity, potentiality, social/political standing and freedom.
