The receiver even comes with world-class manuals, from its tips sheet to the longer quick-start guide to the 42-page user's manual (separate English and Spanish editions of each are provided). An illuminated six-line LCD is your gateway to browsing XM's programming. You can browse by station, by category, or (our favorite) by currently playing artist. Thirty channel presets simplify access to your favorites, and a handy memo button stores artist and song data for up to 20 performances you'd ...
