XO Vision: It produces a good sound for movies, but many may tend to run the volume up about all the way for normal use. This can vary depending on the volume level of the media you are watching. They are comfortable and also smaller and lighter than the Audiovox. When I say smaller, I don't mean to fit smaller heads. They are smaller speakers and ear pads which is a more modern looking style ...

Manuals - Vision Screeners. We have recently received questions about how best to clean and disinfect Stereo Optical product surfaces without damage. Here are our suggestions: For vision screeners, clean and disinfect the forehead activator and surrounding area gently with disinfectant wipes or a soft, slightly damp, and lint-free cloth with alcohol. We have used 70% isopropyl alcohol to clean ...
